

# Chris Thompson

Software Engineer

## SUMMARY

Creative, detail-oriented, software engineer with a deep interest in solving complex problems. Proven track record of creating and implementing successful front and back end web applications. Looking to work within a collaborative environment, increase my knowledge of business processes and technologies, and most importantly, contribute to the overall success of an organization.

## WORK EXPERIENCE

### Software Engineer at 100Devs | Boston, MA

January 2022 — Present

- Collaborated with a team of developers to build modern and responsive web applications using best practices
- Built semantically structured full stack web applications using React.js, JavaScript, Node.js, SQL, MongoDB, AWS and more.

### Freelance Full Stack Web Developer | Greater Asheville, NC

February 2021 — Present

Created full stack web applications and static websites for different clients across small and medium size businesses. Also, consulted on SEO and social media strategy. Some clients included:

- **Ramses, Inc** - Created HTML email templates (and integrated them into REACT using Twilio/Sendgrid) for a startup building a platform for farmers in developing countries to sell extra goods.
- **Rachel Thomas LMBT** – Local Massage Therapist. Implemented connectivity to Square so that their clients could book appointments online.

### Eligibility Specialist at Asheville Housing Authority | Asheville, NC

September 2020 — February 2021

Certified and maintained hundreds of profiles for individuals that received Section 8 housing assistance. Initiated and led the company through a transition to a more efficient mailing system and reduced outgoing paper mail.

### Senior Account Specialist / Team Lead at C.A.R.S. | Raleigh, NC

Jun 2015 — Mar 2018

- Investigated provided case information to find quick and affordable resolutions for the Client.
- Trained new hires on proper case management.
- Delegation team based tasks amongst members.
- Monitored employee efficiency and production quality
